Board of 8 Directors

The Board of eight (8) Directors are eligible members, elected at large by majority vote of the entire membership.

The Executive Officers are elected from within this Board of eight (8) Directors by majority vote of the Board of Directors.

Seven (7) Directors vote. The President votes only to break a tie.

Elections are held in rotation to one another to ensure continuity of experience on the Board commencing with the fall election of 2018. Directors are elected to 3 year terms. Terms are by calendar year from January 1st to December 31st. Directors can serve an unlimited number of terms. If incumbent directors run for re-election and are unopposed, the election will be canceled and the candidates will be declared elected as unopposed.
